### ***Other news from Jenny....***

#### **The Punt Road saga continues:**

As many of you have been aware, it has been a very worrying couple of years, as discussions have increased regarding the widening of Punt Road, with the intention of making it a 6 lane through road, carrying much more traffic north of the river. This would involve demolishing all the homes along the eastern corridor of Punt Road - including my beautiful home and school. Since Punt Road has become a clearway there is already an estimated extra 1200 cars per day using the road. The congestion is immense now, and when there is an event on in the entertainment precinct north of the Yarra, Punt Road is like a car park. I cannot imagine what it will be like when there are 5 events on at the same day or night, through the summer. Hopefully, the government may become enlightened and improve public transport facilities - or possibly consider a tunnel under Punt Road as the better option. This would save all the beautiful buildings and environs of South Yarra. The government's indecision as to whether they will remove the Public Acquisition Order Overlay - which has been placed on Punt Road since

1950 - has been extremely stressful for many of the residents who call this part of South Yarra, home.

## and finally....

Dear All, My most sincere thanks to all of the artists who have contributed to the stimulating and enjoyable classes we have held throughout the year. I love popping into the classroom after hearing your happy laughter and chatting, upon arrival. It is great delight to watch all the individual approaches you take to your artwork and compositions. What I find most rewarding is to observe how your confidence, dedication, and the faith in your own abilities grows throughout the year.

Special thanks once again to artists Fiona and Heather, who have inspired and guided you all through your creative paintings and drawings.

With delight I am pleased to announce that in May 2017 we will be holding an exhibition of recent masterpieces created in class, or wonderful works from past students. The exhibition will be at the gallery at Villa Mulberry, 1A Shipley st South Yarra.

I wish you all a joyful, peaceful and relaxing Christmas, with a safe, happy, healthy and fruitful New Year.
