where students can come and go as
their schedule permits

** 9.30am for a 10am start

From Jenny's desk.....

I have watched with great interest and pleasure the brilliant drawings and studies that have been the focus of our Banksia study in Term 1. Your enthusiasm for the subject matter was satisfying and rewarding for everyone.

I am very pleased to be announcing a new class on Friday morning in Term 2 with Kate Nolan titled 'Autumn in the Vineyard'. We are very excited to have Kate to conduct this new class where the focus of her instruction will be on supporting students to produce a beautiful painting of grapes and leaves. The class may include a trip to the Cope-Williams Romsey Vineyard (google www.copewilliams.com.au to see the beautiful surrounds of this vineyard) where students will be able to select grapes and leaves of their choice as studies for their painting!

With most sincere gratitude, I thank you all for your wonderful attitude, hard work, support, genuine friendships, generosity and knowledge, which all contribute greatly to the atmosphere here throughout the year.

Jenny K. Phillips
